## Fall 2016 "Back To School" - How To Register

For over 30 years Turners Gymnastics has been offering instructional gym classes for boys and girls of all ages - safe and sensible fitness programs for kids. And now you have a choice of TWO locations. Our new facility at 1228 Egypt Road in Oaks is now open. It's the Oaks Gymnastics Academy.

### **Here's what you need to know:**

Classes start on Tuesday, September 6. If there is space in the class you can register at any time, but most of the classes will be filled by the middle of August so everyone is encouraged to register early to get the class they want.

**Step One.** Select the class day and time you want from the schedule. If you're not sure you can visit the gym - a member of the staff will be glad to show you around. You can also observe the class you'd like to join or email the gym with your questions - [turnersgym@aol.com](mailto:turnersgym@aol.com).

Enrollment is first come / first serve, so register as soon as possible.

**Step Two.** A parents permission form is available here..... but you **MUST REGISTER IN PERSON**. A member of the staff will check to see that you get into the right class and the correct fees are paid for the class you want and the registration fee. The mail to the gym is quite unreliable - please do **NOT** mail in your forms

of your payment - there is a good chance we'll never get your letter and you won't be in the class you want. Register in person and you'll be added to the class you want immediately.

When a class is filled you can ask to be added to a waiting list for the next available space or you can check to see if another class is available OR if a class is available at our "other" location. Class size is strictly limited to maintain the value of the programs. We won't add "extra" kids to the classes because of the olympic games and we didn't jack up the prices.

The schedule is similar to years past, but look closely to make sure you have the correct day and time.

**Turners Gymnastics offers a Developmental Gymnastics Team. Ask about the Super Stars for ages 5 - 6 - 7**

**Turners Gymnastics offers a Competition Gymnastics TEAM for ages 7 - 8 and older.**

**We're adding a "home school" option to our daytime schedule. Call for more information.**

**The second eight (8) week session for the fall will start on October 31 and run to January 7, 2017.**
